

Jenny DeMilo Custom Clips

Custom clips are a great way to get the clip you want, just the way you want it. I make custom fetish and quirky fun clips and i'd love to make the custom clip that has just the naughty slant you want. Have a fetish that isn't easy to find in the web? Want to see something specific? Or have something said in your clips directly to you? Custom clips are a great way to meet that need and I really have fun making them.

Clips can feature me alone or we can add one of my fun girlfriends or guyfriends. It's really up to you, tell me what you want to see! Jenny@goodtimejenny.com

HOW TO ORDER A CUSTOM CLIP

- 1. Clip Description:** Tell me what you want to see, what you want your clip to be about and how long of a clip you want. Be as specific as you can and I'll let you know if it is something I can make. I do not make hardcore porn clips (please don't ask), I make fetish clips so tell me your fetish and I will promptly write you back and we can get the ball rolling.
- 2. Time Frame:** I require 5-7 days to complete from when payment/specialty props are received
- 3. Deliverables:** Clips are in MOV M4V MPG MP4 3GP WMV AVI. I will need an email address to send you a download link or address to snail mail a disk
- 4. Speciality Props:** I will be happy to use speciality props in your custom clip. (shoes, specific articles of clothing, things to crush, etc) You will need to provide any specialty props you require for your clip. Email me to see if I have the speciality props you need or if you need to have them sent to me.
- 5. Cost:** Clips that only feature me are 10.00 USD a minute with a 50.00 minimum. If you require additional models then please add 10.00 per minute, per model. If you require a disk to be mailed there is a 5.00 fee for postage and handling.
- 6. Payment:** Paypal, Greendot reload paks, Amazon gift cards and Fluevog gift certificates are excepted. Payment is upfront, in full and all sales are final.
